**Students who passed the final exam** must bring their index books on Wednesday, July 1, 2026, at 09:00 to laboratory technician Vanja (1st floor, Anatomy Department, third door on the left). Index books can be collected at 10:00.

**Students who did not pass the final exam** may review their tests on Wednesday, July 1, 2026, at 10:00 (1st floor, Anatomy Department).

### IMPORTANT NOTE:

When a student passes the practical exam, it remains valid for that exam period and the following two exam periods. For example, if you pass the practical exam in July but fail the written exam, it will still be valid for the first and second term of the September exam period.
