A. **Student who passed practical exam** will have final exam on Friday, June 12th, 2026 at 12,00 in Amphitheatre of Medical Faculty.

B. **Student who did not pass practical exam** may review their test on Friday, June 12th, 2026 at 9.00 a.m. on the first floor of Department of anatomy.

IMPORTANT NOTE:

When a student passes the practical exam, it remains valid for that exam period and the following two exam periods. For example, if you pass the practical exam in June but fail the written exam, it will still be valid for the July exam period and the first term of the September exam period.
